

What's the Difference between Course Email and Student Email?

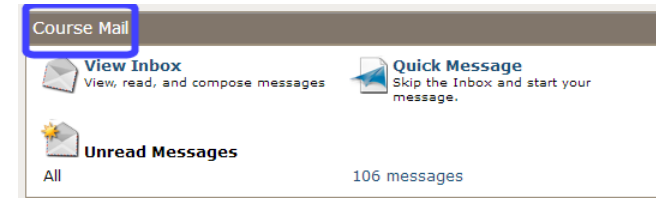

Course Email is used only for email between the students and instructor for a specific course within the Angel portal

To access Course email, login into my.sinclair.edu with your username and password.

Select **Angel Courses**

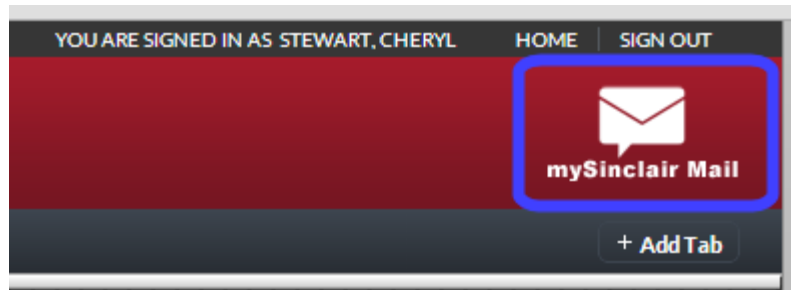

Then select **Course Mail**

Student Email (Gmail) is Internet email and can be sent to any email address.

Every Sinclair student receives a Gmail account. Student email can be accessed through my.sinclair.edu

NOTE: Your Sinclair student email address uses the following format:

username@my.sinclair.edu

Additional info about Sinclair student email accounts is found at:
